

BEV line

High quality oil-free compressors for the beverage dispensing industry

CONSTANT HIGH QUALITY OF THE BEVERAGES

MGF manufactures high quality oil-free compressors for the beverage dispensing industry, supporting **small and large installations**.

Bag in box systems

Cocktail machines

Beer tank pressurization

Gas pumps for dispensing systems

Build-in custom solutions

STOP CO₂

One alternative, many benefits

- Constant high quality of the drink
- Maintenance free
- Compact solution
- Quiet operating

No more

- Empty tank management
- Risks related to CO₂ management
- Oxidation of the beverages
- Tanks disposal
- Space for tanks storage

BEV LINE

AS MONO

BABY MONO

BABY 6

Thanks to the long term co-operation developed with the **KeyKeg®** team, MGF defined a **range of small oil-free compressors** able to satisfy most requirements of this application, providing:

- Small air receiver
- **10 micron air filter**
- Pressure regulator
- Automatic air receiver for the tank discharge of water (on demand)
- Pressure gauge
- Thermal protection
- Safety valve
- Solutions **from 1 up to 6 beer/wine taps** in simultaneous operating
- All the versions are available with **230V-50/60Hz and 115V-60Hz motors**
- Technical customer's support for the right product choice.

Model	Max simultaneous use of dispense taps	Motor input	Current consum.	Free air delivery	Tank size	Max pressure	Noise level	Size LxDxH	Weight
